LOCATION

The property is located in Lower Silesia in Bielany Wrocławskie at the southern border of Wrocław. It is situated directly next to the investment areas of Wrocław Technology Park, Wrocław Motorway Ringway towards Warsaw S8 and Poznań S5, South Wrocław Ringway and A-4 Motorway linking Wrocław and Katowice and subsequently Wrocław and Cracow. The property is within easy reach of Wrocław Old City and Wrocław downtown and the average travel time during rush hours is about 20 minutes. The Wrocław airport is approximately 20 km (12 miles) to the north-west. The local train station, which is located in close distance to the property, provides links between Wrocław City, its southern housing estates, and the city of Sobótka. **(Click on the picture for a full image).**

KEY LOCATION FEATURES OF THE PROPERTY:

- 8 km (5 miles) to Wrocław Old City
- 12 km (7 miles) to Wrocław downtown
- 20 km (12 miles) to Wrocław Airport
- 188 km (117 miles) to Katowice
- 195 km (122 miles) to Poznań
- 265 km (165 miles) to Cracow
- 166 km (103 miles) to the German border (Görlitz)

Bielany Wrocławskie is part of Kobierzyce municipality, covered partly by the special economic zone of Tarnobrzeg's EURO - WISŁOSLAN PARK. The subzone of Wrocław - Kobierzyce is an investment area of over 260 ha.

Kobierzyce is the most developed municipality in Lower Silesia and one of the most economically developed communes in Poland. Thanks to its top location, friendly and partnership approach of local authorities to investors, the development of technical infrastructure and tax reliefs, the value of foreign capital invested so far has reached a record level of over EUR 30 billion and has generated over 25 000 workplaces.

REAL ESTATE DEVELOPMENT POTENTIAL

SPATIAL DEVELOPMENT PLAN (SDP)

The local authorities of Kobierzyce have adopted a visionary Spatial Development Plan (SDP), providing investors with a great deal of freedom and huge opportunities for maximum land development. According to the provisions of the SDP, the offered property is located in an area intended for:

- private health and social care services, medical centers, hospitals, clinics
- office buildings
- banks, financial services
- transport, freight forwarding and logistics services
- warehouses
- petrol stations
- wholesale and retail trade with an area of over 2000 sqm
- sports and recreation areas
- hotel and tourist areas
- food services, restaurants
- cultural facilities
- non public education services, primary schools, kindergartens, nurseries

The SDP does not contain restrictive provisions in relation to:

- building height (possible building height up to 60 meters)
- development intensity between 0,1 and 10 (up to 58.150 sqm)
- biologically active area not less than 10%
- development area not more than 90% of the plot
